Should a patent be granted on the application you will be designated therein as inventor.

As a named inventor you are entitled to inspect any paper in the file wrapper of the application, order copies of all or any part thereof (at a prepaid cost per 37 C.F.R. §1.19) or make your position of record in the application.

Alternatively, you may arrange to do any of the preceding through a registered patent attorney or agent presenting written authorization from you.
